

we are art lovers based in Penang, we are in the midst of uploading the scans of our collection for your viewing pleasure as well as for you to consider acquiring them. half the joy of art appreciation is in the possession.

the works in our collection are not yet exposed to the public, and most of them are indeed very good works by very accomplished artists, each piece of work by itself a superb grade of investment, if u are looking for an alternative investment, bookmark our site, u will not be disappointed.

many of the works are in private collections but if u make a genuine offer we can approach the collector for u.

bear with us!!! we will speed up the loading, and hope to share with you the beauty of our local artworks in no time.

if you like any of the paintings for now, please call me, chin. 019-4487677 or drop me an email at malaysianartist@gmail.com
